RE: Environmental Quality Council
Notice of Violation and Order
Docket No. 463 1-10

EMAILED TO: MBARRA@state.wy.us

Dear Mr. Barrash:

The Moores have been working on both DEQ's first and second set of combined discovery responses and they are making progress. However, I need to request a modest thirty (30) day extension in order that their answers be accurate and reliable. Bonnie, who all recognize as doing work on this matter, just underwent abdominal surgery.

If you are agreeable we have prepared the enclosed stipulation, which I ask that you sign and return to our office and we will file with the Environmental Quality Council.

Sincerely,

HARRY G. BONDI

encls.
