ORDER APPROVING STIPULATION TO
MODIFY ADMINISTRATIVE ORDER ON CONSENT

On March 25, 2010, the Wyoming Department of Environmental Quality (DEQ) and Bill Barrett Corporation (BBC) filed an Administrative Order on Consent (AOC) with the Wyoming Environmental Quality Council (EQC) regarding a schedule for implementing measures for achieving compliance with limits and conditions in BBC's WYPDES permit. DEQ and BBC are the only parties to the AOC. The EQC entered an Order Approving Order on Consent dated May 13, 2010 (filed May 18, 2010) in EQC Docket No. 10-3211. Subsequently, DEQ and BBC engaged in discussions resulting in agreement to modify the AOC as specified in their Stipulation to Modify Original Administrative Order on Consent (Stipulation), dated October 11, 2011, filed October 12, 2011.

W.S. 35-11-112(a)(ii) & (c) authorize the EQC to approve or modify DEQ orders. The EQC having considered the parties' Stipulation to Modify Original Administrative Order on Consent, and being advised in the matter,

IT IS HEREBY ORDERED that the parties' Stipulation to Modify Original Administrative Order on Consent is approved and the original AOC is now modified accordingly.

DATED this 17 day of November, 2011.
