

## MEMORANDUM

TO: Tim Flitner, Chairman, Environmental Quality Council (EQC)

FROM: John Corra, Director, Wyoming Department of Environmental Quality

THROUGH: Diane Walker Tompkins, Policy and Program Analyst, Water Quality Division (WQD)

DATE: October 20, 2011

SUBJECT: Hearing Date Request and Documents to be forwarded to the EQC Members for Chapter 11, Design and Construction Standards for Sewerage Systems, Treatment Works, Disposal Systems or Other Facilities Capable of Causing or Contributing to Pollution and Mobile Home Park and Campground Sewerage and Public Water Supply Distribution Systems.

The WQD is requesting a Hearing Date for the attached rule package. Attached are nine copies of the Chapter 11 Rule Package and the transcripts from the Water and Waste Advisory Board meeting approving this rule packet. Seven of the Rules Packages are for the Council Members and contain the Draft Proposed Rules, Statement of Reasons, and a “strike and underline” copy of the rules. Two additional copies are provided for the EQC administrative record and contain “clean” copies of the rules as they would appear if adopted, as well as the materials provided to the Council Members.

This rule package proposes to lift Parts D and G intact from WQD’s Rules and Regulations on Design and Construction Standards for Sewerage Systems, Treatment Works, Disposal Systems or Other Facilities Capable of Causing or Contributing to Pollution and Mobile Home Park and Campground Sewerage and Public Water Supply Distribution Systems. On September 30, 2011 Advisory Board approved this package for referral to the EQC, as is. The Governor’s Office responded to the Permission to Proceed memo on November 4, 2011. No revisions were requested. The WQD is making a request for a hearing date to discuss the proposed rules.

Please contact Diane Walker Tompkins, WQD (777-7343 or [diane.tompkins@wyo.gov](mailto:diane.tompkins@wyo.gov)) if you have any questions regarding the attached documents. Thank you.
